

# Systematisk liste over våbenfluer i Danmark

Kørselsdato: 20-06-2026 21:53:07

| Artnr. | Latinsk navn              | Author              | Dansk navn | Synonymer |
|--------|---------------------------|---------------------|------------|-----------|
|        | Beris chalybata           | (Forster, 1771)     |            |           |
|        | Beris clavipes            | (Linnaeus, 1767)    |            |           |
|        | Beris fuscipes            | Meigen, 1820        |            |           |
|        | Beris morrisii            | Dale, 1841          |            |           |
|        | Beris vallata             | (Forster, 1771)     |            |           |
|        | Chloromyia formosa        | (Scopoli, 1763)     |            |           |
|        | Eupachygaster tarsalis    | (Zetterstedt, 1842) |            |           |
|        | Microchrysa cyaneiventris | (Zetterstedt, 1842) |            |           |
|        | Microchrysa flavicornis   | (Meigen, 1822)      |            |           |
|        | Microchrysa polita        | (Linnaeus, 1758)    |            |           |
|        | Nemotelus nigrinus        | Fallén, 1817        |            |           |
|        | Nemotelus notatus         | Zetterstedt, 1842   |            |           |
|        | Nemotelus pantherinus     | (Linnaeus, 1758)    |            |           |
|        | Nemotelus uliginosus      | (Linnaeus, 1767)    |            |           |
|        | Neopachygaster meromelas  | (Dufour, 1841)      |            |           |
|        | Odontomyia angulata       | (Panzer, 1798)      |            |           |
|        | Odontomyia argentata      | (Fabricius, 1794)   |            |           |
|        | Odontomyia hydroleon      | (Linnaeus, 1758)    |            |           |
|        | Odontomyia microleon      | (Linnaeus, 1758)    |            |           |
|        | Odontomyia ornata         | (Meigen, 1822)      |            |           |
|        | Odontomyia tigrina        | (Fabricius, 1775)   |            |           |
|        | Oplodontha viridula       | (Fabricius, 1775)   |            |           |
|        | Oxycera fallenii          | Stæger, 1844        |            |           |
|        | Oxycera leonina           | (Panzer, 1798)      |            |           |
|        | Oxycera meigenii          | Stæger, 1844        |            |           |

# Systematisk liste over våbenfluer i Danmark
